Subject: RE: SDNY Technology Officer

Seth,

Our technology consultants for the *City of New York* trial have been in touch with the Court's technology officer Mr. Blum and the company that provides connectivity to the SDNY -- Courtroom Connect. In order to proceed with any further logistics, Courtroom Connect has indicated that they need a written Order from Judge Scheindlin stating that connectivity can be run to her courtroom. Do you know if there is a form or standing order that applies to this particular request, or should we submit a proposed order to you?

Thanks in advance,

Jennifer Kalnins Temple
